K&C Custom Building of New Jersey, LLC is an interior trim installation company specializing in but not limited to the installation of crown molding, chair molding, baseboards, kitchen cabinetry, door, columns, and railings. Our family-owned company was established in 1984. Presently we work with many of the largest developers in the area such as Ryan Homes, Blenheim Homes and Beazer Homes.

The owners of the company, Charlie Lusinski, Daniel Lusinski, and David Lusinski have extensive experience in the area of interior trim. Their combined experience makes them an extremely effective and efficient team. To our employees, we stress the importance of doing a job in which we can be proud.
