IF YOU CAN IMAGINE IT...WE CAN BUILD IT!

Chardani Remodeling has been a family owned business for more than 27 years. Chardani offers a level of service and professionalism not often found in today's contractors, you deal directly with the owner on every project. We limit the amount of projects we under take so that every client is given the owner's personal attention on a daily basis. This allows for a high level of quality and attention to detail than you would receive from most of our competitors.

We specialize in all types of renovations, kitchens, bathrooms, architectural woodwork, and custom interior trim.

Home Remodeling

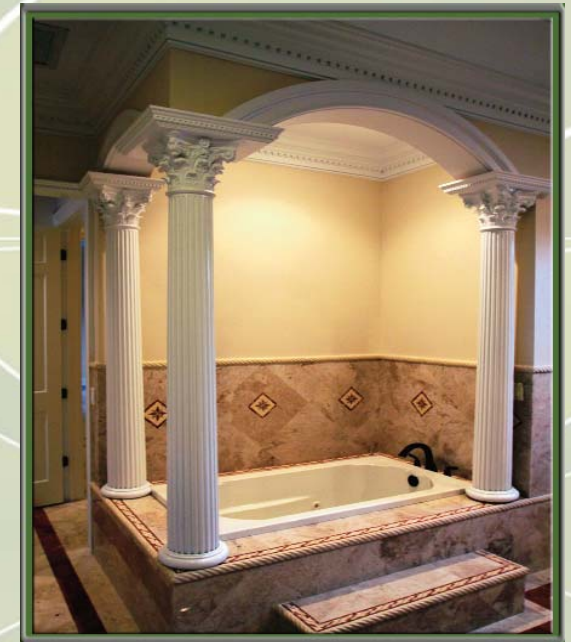

Your home reflects a sense of vision that expresses your unique taste. Whether you want to upgrade your bathroom, kitchen or do a major renovation, Chardani Remodeling can provide services that will fulfill all your design requirements.
